Notice of Allowability

The following is an examiner's statement of reasons for allowance: The prior art fails to disclose or suggest all of the limitations of claim 262 including both, "a liner between the holder and the connecting member; and a fastener configured to inhibit movement of the connecting member and the holder relative to each other..."

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Beth A. Vrioni on May 24, 2004.

The application has been amended as follows:

Claim 209, line 1, "claim 187" has been changed to --claim 262--.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
